26 SECTION FOUR: PRIVACY NOTICE

ALLIANZ CARE AUSTRALIA WELCOMES YOU TO AUSTRALIA

We understand that maintaining your health is an important part of making your stay in Australia as safe and enjoyable as possible.

We provide health cover to look after you while you are visiting Australia.

WHAT IS OVHC?

Overseas Visitors Health Cover (**OVHC**) is health insurance for international visitors which provides cover towards the costs of:

- In hospital medical treatment
- Emergency ambulance transport
- Medical repatriation (only if authorised by us)
- Out of hospital medical treatment (not included in Budget Visitors cover)
- Prescription medicines (not included in Budget Visitors cover)

WHY IS OVHC IMPORTANT?

Hospital and medical treatment can be expensive

Australia has a public health insurance system, known as Medicare, and a public hospital system, however overseas visitors are generally not eligible for Medicare coverage or free treatment in public hospitals. This means that overseas visitors who need hospital or medical treatment while they are in Australia will have to pay for these services, and the costs can potentially be significant – in most cases hospital treatment will cost more than \$1,500 per day.

Visa requirement

If your visa is subject to Visa Condition 8501, you must maintain adequate arrangements for health insurance while you are in Australia. Your visa conditions can be checked on the website of the Australian Government Department of Home Affairs (DoHA) at www.homeaffairs.gov.au. Allianz Care Australia's OVHC meets all DoHA requirements and will satisfy Visa Condition 8501.

OVHC policyholders who do not maintain their OVHC are at risk of having their visa cancelled if their visa is subject to condition 8501.

If it is a condition of your visa that OVHC must be maintained while in Australia, Allianz Care Australia may provide the Department of Home Affairs with the name and contact details of the Member who has cancelled his or her Policy or who fails to renew their Policy.

DoHA requires holders of student visas to have a particular type of health insurance product, known as Overseas Student Health Cover (**OSHC**) – if you hold a student visa you should take out OSHC rather than OVHC. Information on Allianz Care Australia's OSHC product is available at www.allianzcare.com.au/oshc.

WORDS WITH SPECIAL MEANINGS

Some words in this policy have special meanings and are defined below.

benefit means an amount of money we will pay to you or on your behalf for approved expenses incurred by you in accordance with your policy.

Certificate of Insurance means the document we give you which confirms that we have issued a policy to you and sets out details of your cover.

“dependant” means a person who is:

- a spouse or de facto partner of an overseas visitor; or
- a child or step-child of an overseas visitor who is unmarried and has not turned 18.

doctor means a person who is qualified and registered to practise medicine or surgery in Australia. This person cannot be your dependant or a person on whom you are dependent.

eligible visa means a visa subclass included on our list of eligible visas published on our website www.allianzcare.com.au.

emergency treatment means the treatment of any of the following conditions:

- risk of serious morbidity or mortality and requiring urgent assessment and resuscitation; or
- suspected acute organ or system failure; or
- an illness or injury where the viability of function of a body part or organ is acutely threatened; or
- a drug overdose, toxic substance or toxin effect; or
- psychiatric disturbance whereby the health of the patient or other people is at immediate risk; or
- severe pain where the viability or function of a body part or organ is suspected to be acutely threatened; or
- acute haemorrhaging and requiring urgent assessment and treatment; or
- a condition that requires immediate admission to avoid imminent morbidity or mortality and where a transfer to another facility is impractical.

end date means the end date on your certificate of insurance.

excess means the amount you are required to pay upfront before receiving a benefit for overnight or same day hospital admissions under your policy. Your excess is specified in your certificate of insurance.

hospital means an established hospital registered under Australian legislation that provides in-patient medical care.

injury means bodily injury.

in-patient means a patient who has been formally admitted to a hospital or day facility.

limit means the maximum amount of payment by us. A limit applies per person as long as the maximum benefit has not been used if you have a dual family or multi-family policy.

MBS means the Medicare Benefits Schedule which is the list of fees set by the Australian Government for the purpose of determining the Medicare benefit which is payable for a particular medical service.

medical practitioner has the meaning given to it in the Health Insurance Act 1973 (Cth).

out of pocket means the difference between the amount charged by the service provider and the amount we will pay to you or on your behalf for a benefit.

out-patient means a person who receives a health service or procedure without being formally admitted to hospital as an in-patient. To remove doubt, out-patient services may be provided in a hospital or other medical facility.

PBS patient co-payment means the out of pocket costs you are required to pay, by law, towards the cost of a prescription before we start to calculate your benefit. The out of pocket costs you have to pay are the same as an Australian who does not receive any concessional payments.

Peoplecare means Peoplecare Health Limited, a private health insurer under the Private Health Insurance Act 2007 (Cth).

PBS means the Pharmaceutical Benefits Scheme for the payment of pharmaceutical benefits detailed in Part VII of the National Health Act (Cth).

premium means the premium payable for your OVHC policy, including all taxes and charges, and is calculated based on the product you choose and the excess that applies to your policy.

prescription medicines means medicines that require a prescription completed by a doctor or other medical practitioner in order to be dispensed by a registered pharmacist.

Start date means the start date on your certificate of insurance.

we, us and **our** means AWP Australia Pty Ltd (trading as Allianz Care Australia) as the manager of this Overseas Visitors Health Cover product.

you or **your** means the insured person or persons named in your certificate of insurance.

SECTION TWO YOUR POLICY GUIDE

YOUR HOSPITAL AND MEDICAL COVER

WAITING PERIODS FOR YOUR HOSPITAL AND MEDICAL BENEFITS

A waiting period is the time you need to wait after purchasing your policy and before cover is available for certain medical conditions. You cannot claim for medical treatment for certain medical conditions that is provided during the waiting period.

The waiting period is calculated as commencing from:

- the date you or your dependant arrived in Australia; or
- the date your eligible visa was granted; or
- the date your policy commenced,

whichever is the later date.

The following waiting periods apply before these services are covered under your policy:

Service	Waiting period
Psychiatric, rehabilitative or palliative care	2 months
Pregnancy or pregnancy related conditions	12 months
Pre-existing conditions	12 months

If you are an existing member upgrading your cover from your current level of benefits to a higher level of benefits, you will need to serve the applicable waiting period for any benefits not covered under your existing policy.

If you transfer to Allianz Care Australia from a similar policy held with another Fund and there has not been a gap in your coverage of more than 30 days, then provided you can provide proof of the period you had cover with the other Fund, we will take this period of cover into account when assessing the waiting periods with us. If you are transferring to Allianz Care Australia, you need to get a clearance certificate from your current Fund.

If you have previously held OVHC or OSHC with us and:

- you terminated your policy and 30 days ago and have not held health insurance since; or
- we cancelled your policy,

new waiting periods will apply upon commencement of any new policy with us.

Pre-existing conditions:

A pre-existing condition is an ailment, illness or condition the signs or symptoms of which (in the opinion of a medical practitioner appointed by us) existed at any time in the period of 6 months prior to your cover commencing (determined in accordance with the above rules). In forming such an opinion, the medical practitioner must have regard to any information in relation to the ailment, illness or condition that the medical practitioner who treated the ailment, illness or condition gives him or her.

This includes an ailment, illness or condition that was present, but had not been diagnosed by a medical practitioner prior to your cover commencing.

Hospital Excess:

The excess is the amount you are required to pay upfront before receiving a benefit for overnight or same day hospital admissions under your policy. The excess is payable once per adult, per financial year (1 July – 30 June). The excess does not apply to any dependant children under the age of 18 on your policy. For same day hospital admissions, you only pay half the excess per admission. For subsequent admissions in the same financial year, the balance of the excess will be payable. Excess payments made to your previous fund will not be recognised.

We will not pay you a benefit for an overnight or same day hospital admission if the cost of the medical treatment you receive is less than the excess. However, we will pay you a benefit for a hospital admission if:

- the cost of your medical treatment when combined with any previous medical treatment you had in the same financial year is more than the excess; or
- you pay the balance of your excess.

If you claim for medical treatment that was provided to you as an admitted patient while an excess was payable on your policy, you must pay the excess applicable at the time of service upfront before receiving a benefit.

WHAT'S NOT COVERED UNDER YOUR HOSPITAL AND MEDICAL BENEFITS

Benefits are not payable for:

- (a) services and treatment rendered as part of an assisted reproductive program, including but not limited to in-vitro fertilisation;
- (b) bone marrow and organ transplants;
- (c) treatment rendered outside of Australia, whether or not in connection with a course of study and including treatment necessary en route to or from Australia;

- (d) treatment arranged in advance of your or your dependants arrival in Australia;
- (e) treatment rendered to you or your dependants in the first 12 months, other than psychiatric, rehabilitative or palliative care, where the treatment is for a pre-existing condition;
- (f) treatment rendered to you or your dependants in the first 2 months where that treatment is psychiatric, rehabilitative or palliative care and is for a pre-existing condition;
- (g) treatment rendered to you or your dependants in the first 12 months, where the treatment is for a pregnancy-related condition;
- (h) transportation of you or your dependants into Australia in any circumstance, or for transportation out of Australia except in the circumstances and to the extent covered by our "Medical Repatriation Benefit";
- (i) services and treatment which are covered by compensation or damages provisions of any kind;
- (j) elective cosmetic surgery;
- (k) personal costs, including but not limited to, telephone, personal pharmacy, internet, personal items, in-patient boarder, television hire, and costs for any relative/companion;
- (l) general non-medical administrative expenses, including but not limited to prosthetic, medical consumable, and medical document handling fees;
- (m) services provided by physiotherapists, osteopaths, chiropractors, naturopaths or any other ancillary services;
- (n) medications, drugs or other treatments not prescribed by a doctor or other medical practitioner and dispensed by a registered pharmacist;
- (o) any costs associated with dental treatment, unless the treatment is covered on the MBS;
- (p) optical charges, unless the treatment is covered on the MBS;
- (q) any out of pocket costs payable by you;
- (r) service fees charged by a medical practitioner or hospital which are not included in the benefits covered under your policy;
- (s) costs towards an emergency room visit in a private hospital where we do not have an agreement with that hospital;
- (t) Any bank or transfer costs associated with the refund of premium or claim payment for benefits to an overseas financial institution;
- (u) Ambulance charges otherwise covered by third party arrangements, or under an arrangement with a government approved ambulance service, or for hospital transfers due to patient preference; or
- (v) services and treatments undertaken when you do not hold an eligible visa.

- (w) treatment provided for an overnight or same day hospital admission where you have not paid the entirety of your excess unless you have paid half the excess for a same day hospital admission.

For the purposes of these exclusions, the start date for calculating the relevant period of 12 months or 2 months, and whether or not the condition is a pre-existing condition, will be determined in accordance with *“Waiting periods for your hospital and medical benefits”* on page 12 and the section *“Pre-medical conditions”* on page 13.

INFORMATION ABOUT YOUR POLICY

This section explains your and our rights and responsibilities under this policy.

WHO MAY BE SUITABLE FOR OVHC?

OVHC is health insurance for international visitors travelling to Australia on certain visa types, including visa types subject to visa condition 8501.

Eligible Visas

You must hold an eligible visa to be covered under your Allianz Care Australia OVHC policy. Please refer to our website for details of the eligible visa types: www.allianzcare.com.au.

Your policy will not be valid for any times that you do not hold an eligible visa.

Single or Family Cover

Your Certificate of Insurance will indicate which policy you have purchased. Your policy may be any of the following:

Single

Covering the primary overseas visitor visa holder (you) only;

Dual family

Covering the primary overseas visitor visa holder (you) and one of:

- your dependent spouse or de facto partner; or
- one or more of your dependent children or step-children under the age of 18 years who are not married; if:
- they are authorised to enter Australia under your visa, and
- they live with you.

Multi family

Covering the primary overseas visitor visa holder (you) and:

- your dependent spouse or de facto partner; and
- one or more of your dependent children or step-children under the age of 18 years who are not married; if:
- they are authorised to enter Australia under your visa, and
- they live with you.

If you are not sure if you have the right cover, or your circumstances have changed including ceasing to hold an eligible visa, then please contact us immediately.

We do not cover other family members such as parents, grandparents, brothers, sisters, uncles or aunts on the same policy. They will need to arrange their own health cover. Please visit: www.allianzcare.com.au

HOW LONG DO I HAVE TO BE COVERED?

For relevant visa types subject to visa condition 8501, the Australian Government requires that you and your dependants have adequate arrangements for health insurance for the entire length of your and your dependants stay in Australia.

Periods of cover:

1. Your Allianz Care Australia OVHC Policy is only valid whilst you hold a current eligible visa and have paid the full premium required. Payment of the premium is required in advance, and may be paid in full upfront for the proposed duration of your visit to Australia if we provide this option to you. If you are paying by instalments, the minimum amount payable upfront is one month's premium.
2. Your cover starts on the later of the start date shown on your Certificate of Insurance, the date your eligible visa is granted, or the date of your arrival in Australia.
3. Your cover ceases on the date of your departure from Australia, the date you cease to hold an eligible visa, the date we or you cancel your policy or the end date shown on your Certificate of Insurance, whichever occurs first. To check if your visa type is an eligible visa, please refer to our website: www.allianzcare.com.au

4. You may temporarily leave Australia and return without re-serving waiting periods, provided that:
 - You return to Australia on an eligible visa; and
 - You have paid the full premium required.No benefits are payable for services provided to you during the period you were not in Australia.
5. If you are paying your policy by instalments, we will allow for payment of premiums within 60 days after the due date of each payment. If we do not receive your payment within 60 days, your cover will cease and we will cancel your policy.
6. If you have paid for your policy in full upfront and you need an extension of cover, you must advise us within 30 days of the date your policy ceases. Once you have paid the required premium for the extension of cover, we will extend your cover from the date your policy ceases. We will not provide extension of cover if you tell us that you need an extension more than 30 days after your policy ceases.
7. We are not obligated to pay benefits for services provided to you during any period that your payments are not up to date.

TRANSFERRING FROM ANOTHER HEALTH INSURER (FUND)

If you transfer to Allianz Care Australia from a similar policy held with another Fund and there has not been a gap in your coverage of more than 30 days, then provided you can provide documentary proof of the period you had cover with the other Fund, we will take this period of cover into account when assessing the waiting periods with us. If you are transferring to Allianz Care Australia, we require that you obtain a clearance certificate from your current Fund.

To arrange your policy:

- visit us at www.allianzcare.com.au/ovhc;
- or call 1300 727 193;
- or email us at OVHC@allianzcare.com.au.

PREMIUM REFUNDS

You can apply in writing for a pro-rata refund of premium for the unexpired portion of your policy if:

- (a) you paid your premium and did not come to Australia;
- (b) you paid your premium on the basis of an extended stay but the extension of authorised stay was not granted by the Department of Home Affairs;

- (c) you have been granted permanent residence in Australia;
- (d) you can provide proof of OVHC provided by another organisation which includes the period covered by the organisation.

Please note:

- Refunds are calculated on a monthly pro-rata basis, with a minimum refund of one month.
- Any amount that we retain on these grounds is treated as a fee for processing your refund.
- Any bank or transfer costs associated with the refund of premium to an overseas financial institution will be borne by you and deducted from the premium refund.

If it is a condition of your visa that OVHC must be maintained while in Australia, Allianz Care Australia may provide the Department of Home Affairs with the name and contact details of the Member who has cancelled his or her Policy.

ADDING A NEWBORN CHILD

To add a newborn child to your existing policy, you must provide us with their details within 60 days of their birth.

This might require your policy to be upgraded to a dual or multi family cover with additional premium payable. We will advise you of the additional premium when you provide your child's details.

If we are advised of your child's details within 60 days of their birth, cover for your child will commence from the child's date of birth and once you have paid the additional premium. Waiting periods are considered to be served for the same period that currently applies to the policyholder.

If we are advised of your child's details after 60 days from their birth, cover for the child will commence from the date we are advised of your child's birth and you have paid the additional premium (date of addition). We will not be obliged to pay benefits for any services provided to your child prior to the date of addition. Waiting periods will need to be served from the date of addition.

For further information, please refer to our website: www.allianzcare.com.au/ovhc.

HOSPITALISATION

If you or a dependant covered under your policy is hospitalised, you or the hospital must advise us as soon as possible.

YOU MUST HELP US RECOVER ANY MONEY WE HAVE PAID

If a claim made by you and paid by us under this policy is subject to recovery action by us against a third person, you must do the following:

- Assign your rights in relation to the recovery of any amount we have paid under this policy.
- Provide us with reasonable assistance to recover payments made by us.
- Reimburse us for any amounts paid to you as part of a settlement for claims paid by us.

YOU MUST PROVIDE ADDITIONAL INFORMATION UPON REQUEST

You must provide all information and details that we may reasonably require in order to process any medical and hospital claims.

COMPENSATION FUND

Benefits are not payable if your claim is for a loss which is recoverable by compensation under any workers compensation or transport accident laws or by any government sponsored Fund, Plan, Reciprocal Health Care Agreement or medical or health benefit scheme, or any other similar type of legislation required to be effected by or under a law.

FRAUD

Insurance fraud places additional costs on honest policy holders. Fraudulent claims force insurance premiums to rise.

We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud. All information will be treated as confidential. Report insurance fraud by calling 1800 453 937.

Any fraudulent misuse of your policy or card may result in your policy being cancelled and your details passed onto the relevant authorities. We will not be responsible for any expenses arising from the misuse of your card.

SECTION THREE MEMBER'S GUIDE

OVHC 24 HOUR HELPLINE - 1800 814 781

In the event of a medical or personal situation, we will assist you with:

- (a) medical advice and assistance
- (b) referrals to a doctor for medical treatment
- (c) telephone access to a solicitor for legal advice
- (d) access to an interpreting service

In a medical emergency situation call triple zero (000).

AWP Australia Pty Ltd trading as Allianz Care Australia has been appointed by Peoplecare to administer all assistance services. Please note that the provision of assistance services to you is not deemed to be acceptance of cover in circumstances where no cover is otherwise available to you under this policy.

This helpline is for assistance only. We may be unable to confirm eligibility at the time of the call, and claims are subject to assessment.

THE AUSTRALIAN HEALTHCARE SYSTEM

It is very important that you have a good understanding of the Australian healthcare system. If you understand the healthcare system in Australia, you will be better placed to access the best and most effective treatment for you. For information about the Australian healthcare system, visit: www.humanservices.gov.au.

GENERAL PRACTITIONERS (BENEFITS APPLY TO STANDARD VISITORS COVER ONLY)

If you are not in a medical emergency situation, the first point of contact is a doctor, also known as a general practitioner, medical practitioner or local health/medical centre. You can access many services at your local health centre. Some of the services available are:

- General medicine and simple diagnostic screenings.
- Assessment and treatment of health problems and injuries.
- First aid services as needed.
- Women's and men's health.
- Referrals to specialist services.

In most cases, it is necessary for you to make an appointment to see your doctor.

ACCIDENT AND EMERGENCY TREATMENT

Many hospitals have a 24 hour accident and emergency department. Accident and emergency departments should only be accessed in the case of emergency situations. When you visit an accident and emergency department, a nurse will assess you and if your illness or injury is not deemed as an emergency, you may need to wait a long time to see a doctor.

If you hold a Budget Visitors policy and your attendance at an accident and emergency department does not lead to you being admitted as an in-patient, no cover is provided under your policy for any costs charged for your accident and emergency attendance.

You may not be covered for the costs at the accident and emergency department of a private hospital - cover will depend on which hospital you attend. Please contact us before attending a private hospital to see if you will be covered for the costs.

HOSPITAL TREATMENT

If you have been admitted for emergency treatment, contact Allianz Care Australia immediately on 1800 814 781. If you have been referred to hospital for treatment on a non-emergency basis, contact the claims department on 1300 727 193 prior to admission. You will need to provide Allianz Care Australia with the details of your treatment and hospital stay. We will then be able to confirm your cover and assist you with making arrangements for payment to the hospital.

You must pay the excess that applies to your policy before you can receive a benefit for hospital admission

Public admission

Generally, OVHC covers the total cost of your stay and treatment as an in-patient in a shared ward of a public hospital. As a public patient, your doctors will be nominated by the hospital. After your hospital discharge, your care will be carried out in either the out-patient clinic, by one of the hospital's specialists in his/her private rooms or you will be referred to your local doctor. You may incur out of pocket costs for public hospital expenses.

Private admission

You can choose to be treated in a private hospital. Through our relationship with Peoplecare, we have arrangements in place with most private hospitals in Australia. These agreement hospitals ensure that an agreed schedule of fees (including in-patient accommodation, theatre and special unit accommodation fees as appropriate but not emergency department fees) is charged by the hospital and paid by Allianz Care Australia on a member's behalf. You may incur out of pocket costs for private hospital expenses.

There are only a few private hospitals that are not part of these agreement hospitals. In these cases, we may not cover the full cost of your hospitalisation however, if you call us for a chat before you go into hospital we'll be able to tell you approximately how much it will cost you. Members who choose a non-agreement hospital may incur out of pocket expenses for hospital related services.

FIND A DOCTOR

Direct billing services

In order to minimise your medical expenses, you can attend a health service or doctor that direct bills Allianz Care Australia.

You can find your closest direct billing service on our website at www.allianzcare.com.au/ovhc. You simply have to show your valid Allianz Care Australia OVHC membership card, and the bill for the covered portion of your service will be sent directly to Allianz Care Australia.

Other medical providers

You can attend any other medical practice or doctor in Australia. In most cases, you will be required to pay the bill, and submit a claim to Allianz Care Australia in order to get your benefit reimbursed. Some doctors may charge more than the benefit payable, in which case there will be an out of pocket cost to you for the part that is not covered by your policy.

YOUR CLAIMING OPTIONS

Submission of claims time limits

Claims must be lodged with us within 2 years of when you received the service or treatment.

Step 1	Obtain a claim form by downloading and printing out a claim form from our website
Step 2	Complete the claim form in full. Please write clearly and sign the form ensuring you have clearly written your OVHC policy number on the form
Step 3	Attach your receipts to the claim form
Step 4	Scan and email a copy of your claim form and receipts to ovhcclaims@allianzcare.com.au Or Post the claim form, copies of tax invoices and receipts directly to Allianz Care Australia

It is important that you keep a copy of all your invoices and receipts.

Claims reimbursement

Paid accounts

If you have paid your medical or hospital bill, your benefit will be reimbursed in Australian dollars by:

- Direct credit - into your nominated Australian bank account; or
- Cheque - sent to your postal address as nominated on your claim form - please ensure your postal address is correct and up to date.

Unpaid accounts

If you have not paid your medical or hospital bill, the benefit will be paid:

- to the nominated health care provider (eg. doctor or hospital).

You are responsible for any 'out of pocket' costs payable to the provider. In some instances our claims officers will contact you to request more information.

We aim to process your claim within 10 working days of receiving a completed claim form and all required original documents. If we need additional information, a written request will be sent to you within 10 working days. For hospital claims, payment and remittance can take up to 30 days to process.

SECTION FOUR PRIVACY NOTICE

Your privacy

Your privacy is important to us. To arrange, offer, and provide you with our products and services (or those we may offer or provide to you on behalf of our business partners) and for the purposes set out below, we, namely AWP Australia Pty Ltd ABN 52 097 227 177 trading as 'Allianz Care Australia', collect, store, use, process, and disclose your personal information including sensitive information such as medical information in accordance with the requirements of privacy laws. For full details of our privacy policy, please visit our website at www.allianz-assistance.com.au and click on the Privacy & Security link.

When we collect your personal information, we are responsible for ensuring it is processed and protected in accordance with applicable privacy laws such as the Privacy Act 1988 (C'th), and sometimes European Law such as the GDPR where our activities fall within its scope. Personal information we collect includes, for example, your name, address, date of birth, email address, your medical information, passport details, and bank account details. We also collect information through devices such as 'cookies' when you visit our website or use our mobile apps, in order to improve our website functionality and user experience.

Data collection

We usually collect your personal information directly from you but sometimes from others depending upon the circumstances and the product involved. For example, to quote, arrange, or provide our health insurance products and services, we may collect your personal information from you, your agents, our agents, your broker, other insurers, universities and learning institutions, Government departments managing Immigration, health, and foreign affairs including for visa purposes, family members including your partner or spouse, travelling companions, as well as from doctors, hospitals, and other health service providers if you require medical assistance. We may collect your personal information from our business partners and agents whom you may have approached or who distribute or help provide or arrange our products and services.

Purposes & uses

We use your personal information to arrange, offer, and provide our products and services (or those we may offer or provide to you on behalf of our business partners) and to manage your and our rights and obligations in connection with any products and services you have inquired about or acquired. For instance, we use it to assess, process, and investigate health insurance claims, and to liaise with Government Departments such as immigration, health, and foreign affairs where it relates

to your cover or your application for private health insurance cover. We may also use it for product development, marketing (where permitted by law or with your consent), customer data analytics, research, IT and related systems maintenance and development, recovery against third parties, fraud investigations, to comply with requests from regulatory bodies and government departments, and for other purposes with your consent or where permitted by law. We do not sell your personal information to any other person or entity for marketing purposes.

Disclosures & overseas transfers

Your personal information may be disclosed to your family members, co-insured on the same policy, your spouse or partner, as well as to third parties who assist us to carry out the activities set out in the 'Purposes & Uses' paragraph above, such as claims management providers, our agents and intermediaries, insurers, investigators, cost containment providers, medical and health service providers, universities and other education institutions, overseas data processing and 'cloud' storage providers, legal and other professional advisers, your agents and broker, your travel group leader if you travel in a group, your employer or sponsor, insurance reference bodies, and our related entities in the Allianz group of companies including Allianz Partners. Some of these third parties to whom your personal information may be disclosed and transferred, will be located in other countries including in Europe, the UK and Ireland, Asia, Canada, or the USA. We also, where necessary, disclose your personal information to Government Departments that manage immigration, health, and foreign affairs, as well as to regulatory bodies including those involved in the health insurance industry. We also disclose and transfer your personal information to our private health insurer that underwrites your policy, namely Peoplecare Health Limited, which is a registered private health insurer, ABN 95 087 648 753. When we disclose or transfer your personal information to third parties, we take steps binding those entities to comply with privacy law.

Marketing

We may, where permitted by law or with your consent, contact you by telephone, normal mail, email, electronic messages such as SMS, and via other means with promotional material and offers of products or services from us, our related companies, and business partners that we or they consider may be relevant and of interest to you. Where we contact you as a result of obtaining your consent, you can withdraw your consent at any time by calling us on 1800 023 767 or by contacting us – see below.

Other individuals/dependants

Except where you have legal authority to provide personal information on behalf of another, such as in your capacity as a parent or legal guardian, when you provide personal information to us about another individual on your policy such as your spouse, partner, family member, dependant, or adult children, we rely on you and you warrant to us that you have first obtained that individual's consent, and have made them aware of the matters set out in this Privacy Notice.

Access to and correction of personal information

You may also seek access to your personal information (or that of another on your policy where you are authorised to do so) and ask us to correct or update it, and to obtain details about our data processing activities in respect of your personal information. You may have further rights in respect of your personal information where the GDPR law applies, and depending upon the circumstances, you may request a restriction on processing, request it be deleted, and to receive it in a portable form, amongst other things.

Withdrawal of consent

Where your personal information is used or processed with your specific consent as the sole basis for such use and processing (rather than on a contractual basis or legitimate interests of the company), you may withdraw your consent at any time. Just contact us as set out below.

Contact us

If you wish to make a complaint about your data privacy, or have a request for access or correction, or any query about your personal information, please contact: The Privacy Officer, Allianz Global Assistance, PO Box 162, Toowong, QLD 4066, or email DataPrivacyAU@allianzassistance.com.au or phone us on +61 7 3305 7000.

You can also contact the Privacy Commissioner at the Office of The Australian Information Commissioner, GPO Box 5218, Sydney, NSW, 2001 if you have a complaint.

Without your agreement to the matters set out above, we may not be able to provide you with our products or services including the assessment and payment of any claims. [version: 7 Feb 2020]
